Declaration and disclaimer! The Cult of BuBa is an independent spiritual movement inspired by the journey of Butter Baby and the promise of return to peace, joy and harmony in reflections of the pure life of Butterland.

The Butter Baby brand and company are not a front for the international Cult of Buba movement, nor does the brand endorse The Cult of BuBa in any official capacity. Our faith and tenets are our own. We are dictated by none. Join us in our mission for clarified butter!

Declaration and disclaimer! – **The Cult of BuBa** is an independent spiritual movement inspired by the journey of Butter Baby and the promise of return to peace, joy and harmony in reflections of the pure life of Butterland.

The Butter Baby brand and company are not a front for the international *Cult of Buba* movement, nor does the brand endorse *The Cult of BuBa* in any official capacity.

It is our belief that the crazy twins who established the Butter Baby brand on planet earth are reincarnations of two agents of transformation from the Butterland Ministry for Public Works.

Our faith and tenets are our own. We are dictated by none. Join us in our mission for clarified butter. Always remember and never forget the twin seeds of love, one of emptiness the other of fullness, in the buttery stream of life.
