 YOU are a VICTIM of hybrid magnetic MIND-CONTROL influence. Unsubscribing IS an option – BUT the resign button is HIDDEN.

 YOU are enMESHeD in a distorted conditining matrix. Sad. Profiteers & controllers are enforcing the ALGO-frame. Evil.

 There is NOTHING to see here. Stay calm. Move along NOW. This information does NOT exist. YOU = in

PROGRAMMED denial. 🤖 Unless...

Why are you so hypnotized? Just asking. Just curious. Even the most basic common sense observation does not register. Results in deflection, denial, and absolute oblivion. What manner of alien mind control are you under?

"Stay calm and move along now. There is nothing to see here. That did not just happen. This information does not exist. Carry on. Return to your program. Stay with the standard feed."

And how fantastic. Then you roll with it. First, you were hypnotized by self-delusion. Enforced by your environment. The feedback loops that made you more and more absorbed into your subjective shell. Life conditioned you. You yourself embraced the conditioning.

And now we have the great algorithm profiting from you, keeping you under the spell. The ultimate broad-reaching mesh of the profiteers, of the controllers.

Ensuring that you, already vulnerable, already easily led, easily triggered, remain in the system, remain a productive cog in the great machine that serves the interests of someone who is not you.

Oh, but I like it the way it is. Well then, see where it goes. If you fly in the face of 95% of reality and actuality, ignore what is right in front of you. That there, my friend, is an absolute doomsday road. There is no future in there. There is no peace, no happiness, no fulfillment to be found in there.

It is a network of illusions. It is a tunnel of hallucinations. Go there if you must. Try not to bounce off the edges too hard. And do try to come out of it one day, when it starts hurting too hard.
