Are you, like, trying to be everything simultaneously?
Moi? Non. Je ne suis rien. Kim kvacin bhavami. That's like, "Whatever dude". Ihmeellinen peilihöpöttäjä.

To be pedantic for a moment, technically speaking, simultaneously, certainly not. In an interdependent reflective cascade – know the difference.

Beyond that, there are matters of being and becoming. Being – the field. Becoming – the flow. One does not try to be, one tries to become.

Then go ask the mirror, "Are you trying to become everything?" The mirror responds, "Are you trying to become everything?"

The short version. Whatever that is, that, and nothing else, in some sort of an appropriate apparition. There

are no limits, there are no rules. What is, is reflected, and becomes a counter-image.

Reflective counterculture on the road from here to nowhere at all. Thumbs up for every passenger. If you wanna share the ride, subscribe. If you want to jump off the wagon, unsubscribe. Like whatever. Be happy.
