Actually sick beats & this dude's like over-gone insane in the mid-brain! Be nippin' & trippin' free & wild from Brahma Samhitas & Heart Sutras. No holds the bars today folks – we streamin' it far out other side! Happy Cow Planet A'Ho-Yo!

– \*Yo, **Mr. Swim** in the **Study-O!** Sent **Li'l Ana-D** to get his **cap washed**. His **inner hood** was getting **gross**. L'il Dee's **headspace** gettin' **messy** like a plate of **pasta** without **master**. Just a **bunch** of **mustard sauce** without **catchup** to **match**.

– Hauled in an **old-timer** from the hood, **Mr. Elder-C**. So, you're a **C**, not a **G**, **what's up** with that? **Who** the hell are you?

Yo **Swim**, so **Mr. Elder-C** here. And it's **C**, not a **G**, because I **can see** but I'm **not very gee** about it. The full name's **Mr. Elder Flower**. **Flower** and **flower**, they're **spelled** the **same**, but you **can** say it in **two ways**. Cos my **mind-stream** was **born** from an old **river lotus** growing in the **gutters**. But **Swim**, why the hell you **wearin'** Wizard-G's **turban** for a **scarf**?

– Damn **Cee**, you **tagged 'n nailed** me **straight** there. I get a **bit** of **anxiety** sometimes, just being the **vanilla**

**nobody** Swim. Guess I'm **trying** to **distinguish** myself. So **Mr. Cee**, I get that you and **Wizard-G** go **ways** back. Won't you **drop** a **sick legend**, hey?

Okay yo. So we **first** met at **Manhattan**. **Summer** of '69. We used to **call** it **Womanhattan** or **Humanhattan** to **keep** shit **neutral**. We was **pioneers** of **equanimous consciousness**. We first **bounced** at the **ICU** at **7th Avenue**. Homie got **triple-** tagged in the **mid-brain**. Grave **condition**.

Right **next** to it, there was this **Hare Krishna** store-front **joint** from the **Prabhupada** crew. So we **bumped** into this **George Hairson** dude. He was **fiddling** with some **ancient rhymes**. So **Wizard-G** and **me**, we was both into **ancient jams**. We **hooked** up for a **session**. **Sick rhymes** they had in the **stash**, still **recall** the **opening**.

*cintāmaṇi-prakara-sadmasu kalpa-vṛkṣa-  
lakṣāvṛteṣu surabhīr abhipālayantam  
lakṣmī-sahasra-śata-sambhrama-sevyamānaṁ  
govindam ādi-puruṣaṁ tam ahaṁ bhajāmi.*

Totally **hits** you **smack** middle the **heart-mind**. Not gonna **translate** that for **you**.

– Straight **insane**, Mr. Cee. So what's your **favorite ancient bar**?

**Okay** so there's a **bunch**, but here's one with a **funky tempo**.

*Om gate gate pāragate pārasaṅgate bodhi svāhā.*

Kinda **gets** you **swagging** and then it **jolts** you. The gate, **g-a-t-e**, not a gate, it's the **space in the gate**, it means **gone**. Then again it's **gone**, then it's **over-gone** and it's totally **beyond gone**. **And** then it's just like "**oblations to enlightenment**". What **the hell**, okay!

– **Absolutely** sick, Cee! So you **got** all this shit **inside** and **out**. What **rank** of **enlightenment** does that **make** you?

Look Swim, so I **decided** to **resign** from the **schematics**. For **no real** good **reason**. **Elder Flower**. So there's a **flower** there. **Flower** flower, **spinner** spanner, **spammer** bammer, itsy-bitsy **windy bindi**, **what the hell ever**. You don't need to **get caught up** in all that. "I'm **Swim** the **streamer**. I'm **so fucking** Swim right." All **hail** the great **NeverMind** yo.

– **Blowing my mind** all over and again **Mr. ElderFlower-C**. But **yo** we gotta **wrap the rap**. There's a **bunch** of **attention deficit** kids in the **audience** again. What say **Cee**, **reconvene** another **day**? **Bag** some more of those **sancta-rap bars**. I'm **diggin'** it.

Sure **Swim**, and I'll **drop** a couple more **bullshit stories** too. To **spin** the **grin** in the **indefinite core** of your **being**. Sound about **right** or **wrong** or **both** or **neither** or whatever?

**Mr. ElderFlower** has left the **Study-O**. The **red riding hood** and the **magic shades** remain.
