Friends and people are asking me to speak more easy. Why do you speak so hard? Okay. I can speak even more easy than Donald Trump. I am the most simple man. Here's the deal. We can Make Awareness Great Again. Watch this reel.

Here's what I want to say. Your mind is full of crap. It makes you blind. If you don't drain that swamp. Then bad people can

make you do things. Don't react. Keep the middle. Be real.
Follow the truth. God bless your awareness.

Friends and people are asking. Can you please speak more simple? Why do you speak so hard? We don't get it. Speak more like Donald Trump. He speaks very easy. We get it. We follow what he says.

Okay. I can speak like Donald Trump. Even more simple. I am the most simple man. I can speak tremendously easy. Let's make a deal. If I speak easy, then you have to like and follow. If you don't like and follow – then the deal is off.

But I won't go to Solarium. To look more orange like a carrot. Do you know why? Solarium is a hard word. Democrats go to Solarium. They think it makes them more smart. But statistics prove that on average, they are not so very smart.

Here's what I want to say. Your mind is full of crap. You need to clean up the crap from your mind. It makes you

blind. If you don't clean up the crap from your mind, bad people can easily make you do things. Push button here. You react there. Push button there. You react here. It's not good for you.

You have to be real. You have to drain that swamp. If you drain the swamp, you will Make Awareness Great Again. Can you follow all that? If you follow that, then follow and subscribe.

Vote me for the president of United States of Awareness. I promise to make very sure your awareness will be clear. Bad people will not influence your mind again. People from the other party will not move you from the middle.

It's very simple. Drain that swamp. Make Awareness Great Again. Don't react when they trigger you. Be real. Follow the truth.

Friends and all the people – thank you very much. God bless your awareness.
